TIPTON FORD | NACOGDOCHES, TEXAS

FORD AUTOMOTIVE TECHNICIAN

2+ YEARS EXPERIENCE

A busy Ford shop. Steady work.
A clear path forward.

$22-$32 PER FLAG HOUR + STARTUP PAY GUARANTEE

You don't need to be a Master Tech. You need to be a good tech who's ready to grow.

Tipton Ford is hiring an experienced dealership technician for our main service shop. We want someone with a few years under their belt who can come in and start turning hours quickly. Ford training is a big plus, but if your experience is with another brand, we still want to hear from you. Good dealership techs know how to diagnose, follow factory procedures and handle warranty work, no matter what's on the hood. Ford will often give credit for factory training from other manufacturers, and we'll pay for the Ford training to get you certified and moving up.

FAMILY-OWNED SINCE 1959 • FORD PRESIDENT'S AWARD-WINNING DEALERSHIP

WHAT WE OFFER

- $22-$32 per flag hour, based on your experience and certifications
- Startup pay guarantee while you get up to speed
- Paid Ford factory training, with a clear path to Senior Master as you certify
- Steady work from a busy main shop and our new 12-bay Fleet Service Center
- Monday-Friday schedule with some Saturdays
- Health insurance, 401(k) and paid vacation
- Relocation help for the right candidate
- Mentoring from experienced Ford technicians
- Current Ford special tools and diagnostic equipment in a clean, organized shop

WHO WE'RE LOOKING FOR

- 2+ years of hands-on automotive repair experience; dealership experience preferred
- Confident with maintenance, brakes, steering and suspension, alignments, A/C and basic electrical diagnosis
- Ford training or certification preferred (STST/web-based courses, specialty certifications or a Ford ASSET degree)
- Factory training from other manufacturers and ASE certifications also valued
- Your own set of tools
- Comfortable with scan tools and online service information
- Valid driver's license
- Takes pride in clean, accurate, well-documented work

WHAT YOU'LL DO

- Diagnose and repair customer vehicles per the repair order and Ford procedures
- Perform multi-point inspections and give clear recommendations to Service Advisors
- Complete warranty repairs to Ford specifications
- Document your work thoroughly on the repair order
- Keep building your skills through Ford training

WHY NACOGDOCHES?

Affordable living, a family-friendly community, and no big-city traffic. It's a great place to build a career and a life.
